Janis Joplin

Freedom's just
another word
for nothing
left to loose.

Janis Joplin in Kris Kristofferson's lyrics to the song "Me and Bobby McGee", 1969.

Flora and fauna: A chain of exchanges converts solar energy into movement and keeps a cycle of complexity going.

The User Illusion, 1998, p 334

Waste = Food

In flow

**Belly depot:
Fear the world**

**No depot:
Trust the world**

Trust the world

Let go

Stay in flow:

Food in, waste out

Share *your* shit

Ideal

Waste = Food

Easy comes, easy goes

The more you give,
there more you get

And in the end
the love you take
is equal to
the love you make

Make

Take

Do not
slow down:
flow

Feel free -
free as in flow

Freedom's just
another word
for nothing
left to loose.
